

Information Bulletin

I.B. No: 044

Aircraft Type: Slingsby T67 Firefly (all marks)

Title: Change of Point Of Contact for Technical Support

This Information Bulletin is to advise all maintenance organisations, operators and owners of Slingsby T67 Firefly aircraft that with immediate effect the Airworthiness Co-ordinator role will be replaced by the Technical Support Engineer.

User Experience Report

Any maintenance organisations, operators and owners of aircraft who experience problems during operation or maintenance of Slingsby Aircraft / Aircraft Components, or with related data, should forward copies of the User Experience Report form to the Technical Support Engineer. The UER procedure is detailed in the Maintenance Manual, at Chapter P1, page 17, para 1.7.4. A sample UER form is contained within the Maintenance Manual at Chapter P1, page 18, and copies are also available on request from the Technical Support Engineer.

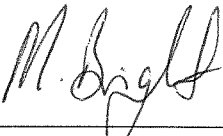

The e-mail address for Technical Support contact is ss.tsg@marshalladg.com

Enquiries relating to supply of Maintenance Manual, Illustrated Parts Catalogue, etc. should be forwarded to:

The Sales/Production Co-ordinator, Marshall Aerospace and Defence Group, Ings Lane, Kirkbymoorside, YORK, YO62 6EZ. ENGLAND

Tel +44(0) 1751 432474

The e-mail address for Air Publication enquiries is gemma.hodgson@marshalladg.com
